## About our club

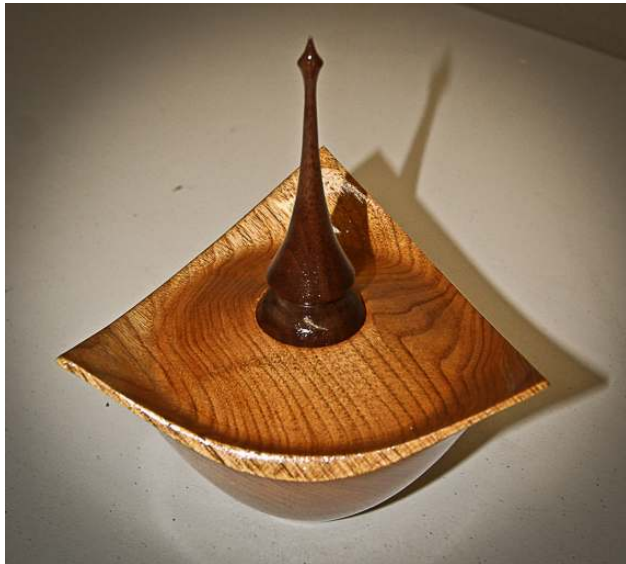

The Woodturners Association of Manitoba is an educational, non-profit organization with over 40 members from Winnipeg and surrounding areas.

Our club is open to everyone with an interest in woodturning - men, women, students, observers, beginners and serious turners.

Monthly meetings are held on the second Thursday of each month from September through June. Our meetings feature woodturning demonstrations and a show and tell of members' work.

Club members also enjoy a lending library of turning videos and books.

The Woodturners Association of Manitoba (WAM) is a great place to learn woodturning and to make new friends.

Join our club and share in the knowledge, inspiration and fun!
