WOODTURNERS ASSOCIATION OF MANITOBA

**WOODTURNERS  
ASSOCIATION  
OF MANITOBA**

Want to learn the art  
of wood turning?

## About our Club

The Woodturners Association of Manitoba is an educational, non-profit organization with over 35 members from Winnipeg and surrounding area.

Our club is open to everyone with an interest in wood turning - men, women, students, observers, beginners and serious turners.

Monthly meetings are held on the second Thursday of each month. Our meetings feature wood turning demonstrations, a show and tell of members' work and a presidents challenge raffle.

Club members also enjoy a lending library of turning videos, books and articles.

The Woodturners Association of Manitoba (WAM) is a great place to learn wood turning and to make new friends.

Join the club and share in the knowledge, inspiration and fun!

Chris Wood

Throughout the year the club organizes "gatherings" that are enjoyed by all.

## Website and Forums

Members of the club enjoy networking with others on the WAM website and discussion forum. This website is a private, members only site and it is a great resource for:

- Posting pictures of your work
- Asking questions
- Exchanging critiques
- Keeping up to date with new techniques and tools.
- Staying informed about upcoming events.
- Sharing accomplishments and Goof-ups
- Becoming inspired by others work.
